

# Superior Building Systems are standard in your new The Stillwater Group Home

Buying a new home is one of the biggest financial decisions you will make in your lifetime. So it's important you feel confident about your investment to know that the products used in your home will successfully perform over time—especially your floors. The Stillwater Group chooses to select high performing Weyerhaeuser products to ensure your lasting satisfaction.

## TJI® Joists

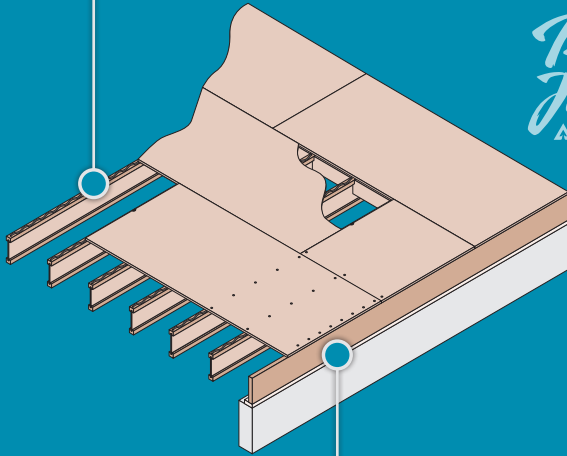

The dimensional stability of TJI joists help them resist warping, twisting and shrinking that can lead to squeaky floors.

## Engineered Lumber

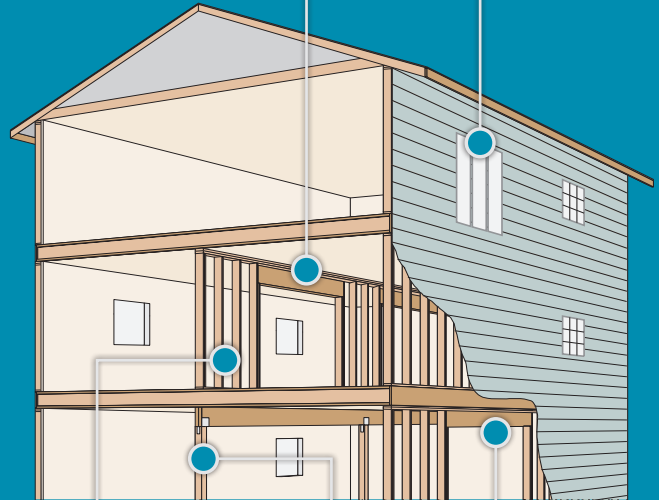

Our Trus Joist® products offer predictable performance and are designed to work together. This means materials can be used more efficiently and still increase the quality of the house.

## Microllam® LVL

From window openings to garage door headers, Microllam LVL is a versatile solution that supports long, heavy loads without worry.

*Trus Joist*  
Weyerhaeuser

## TJ® Rim Board

A suitable solution for a diverse range of applications such as tall walls, beams, rim board, sill plates and so much more.

## TimberStrand® LSL

### Premium & Tall Wall Framing

A suitable solution for a diverse range of applications such as tall walls, beams, rim board, sill plates and so much more.

## Parallam® PSL

### Headers & Columns

Create long, clear spans and support heavy loads, whether inside or out in the elements.

## Peace of Mind

Be confident that your Weyerhaeuser products are backed by industry leading warranties to be sure your investment will stand the test of time and performance.

## Discover Your Dream Home With The Stillwater Group

Imagine the home of your dreams situated on one of the most desirable and beautiful areas on Lake Keowee in sunny South Carolina. The view is breathtaking. Your home is exquisite. Every detail is designed to perfection.
